

A scatter plot showing four clusters of points. The points are colored according to a legend in the top right corner:

- g** (purple)
- r** (blue)
- i** (green)
- z** (orange)

The clusters are distributed as follows:

- Cluster 1 (Bottom-Left):** Contains points from groups g, r, i, and z.
- Cluster 2 (Bottom-Center):** Contains points from groups g, r, i, and z.
- Cluster 3 (Bottom-Right):** Contains points from groups g, r, i, and z.
- Cluster 4 (Top-Center):** Contains points from groups g, r, i, and z.
